

Circular for Inviting Books for Inclusion in the Rights Catalogue & Display at the Theme Pavilion (NDWBF 2026)

In view of the immense response received earlier, National Book Trust, India is now happy to announce that the Theme of the next edition of New Delhi World Book Fair (10–18 January 2026) would be **Indian Military History: Valour and Wisdom @75**.

The theme aims to present and honour the extraordinary contributions of the Indian Armed Forces—Army, Navy and Air Force. The role of Armed Forces is not only central to national defence but also integral to India’s nation-building, fostering unity, resilience, and progress. The theme pavilion will reflect the valour, heritage, and achievements of the Indian Armed Forces in an engaging manner.

An exhibition of books in all Indian languages may be put up. A range of literary programmes woven around the theme may be organised.

In this regard, we request you to send your relevant titles with the details as per the ENCLOSED FORMAT to make the Fair a memorable and meaningful event for the publishing community as well as the target audience.

For any further details or clarification please contact Shri Kumar Vikram, Chief Editor & Joint Director at chiefeditor.nbtindia@gmail.com or at 8800409846.
