

Dear Publishers,

*Greetings from National Book Trust, India!*

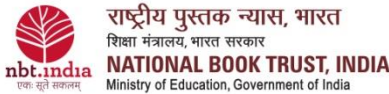

As aware, National Book Trust, India, an autonomous body under the Ministry of Education, Government of India is in the process of compiling a database and collection of books on rural development, village ecosystem, agriculture, folklore, village based arts, crafts etc. in Hindi and various local dialects of India. In this regard, we are looking forward for submissions from all Indian publishers. If your publishing caters to the above subject areas, you may send a maximum of 15 books in total (on complimentary basis) along with annotations in the given format for consideration. Apart from the above, a list of regular popular journals/magazines on the said topics may also be shared (max. 3).

These books/magazines will be evaluated/screened by an in-house Committee of the Trust and the publishers will be informed accordingly.

Only those publishers who are willing to offer books to NBT on the said terms may send the books addressed to Deputy Director (Exhibition), at the NBT Hqtrs in New Delhi, clearly marking the envelope as "Books for Database Collection". **The books may be sent at the earliest.**

Kind regards,

**Mohd. Imranul Haque**
